Mousike Notation

A font for ancient Greek musical notation as encoded in Zach Sowerby's URN scheme, made for the mousike Python package. It covers every vocal and instrumental sign in the encoding's table, and positions the combining length signs and arsis dot that mousike writes for each note.

Download the font (desktop TTF, web WOFF2, licence and this specimen):
github.com/neelsmith/mousike/releases/latest/download/MousikeNotation.zip

Combining marks

diseme	Z̄	U+0305	COMBINING OVERLINE
triseme	Z͝	U+1D242	COMBINING GREEK MUSICAL TRISEME
tetraseme	Z͞	U+1D243	COMBINING GREEK MUSICAL TETRASEME
pentaseme	Z͟	U+1D244	COMBINING GREEK MUSICAL PENTASEME
arsis (stigme)	Ż	U+0307	COMBINING DOT ABOVE
length + arsis	Z͝	e.g. U+1D242 U+0307	the dot stacks above the length sign

Each sign below is shown in four forms: plain · diseme · triseme + arsis · pentaseme.

Vocal notation (gvn, 70 signs)

gvn:1.1
vocal E

gvn:1.2
vocal first sharp of E

gvn:1.3
vocal second sharp of E

gvn:2.1
vocal F

gvn:2.2
vocal first sharp of F

gvn:2.3
vocal second sharp of F

gvn:3.1
vocal G

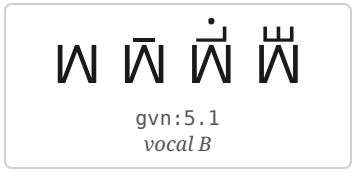

gvn:3.2
vocal first sharp of G

gvn:3.3
vocal second sharp of G

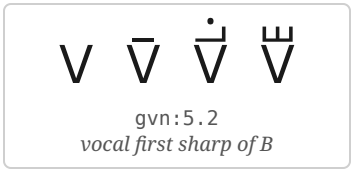

gvn:4.1
vocal A

gvn:4.2
vocal first sharp of A

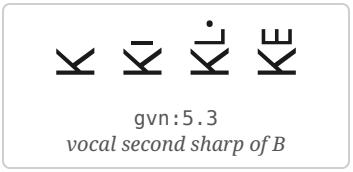

gvn:4.3
vocal second sharp of A

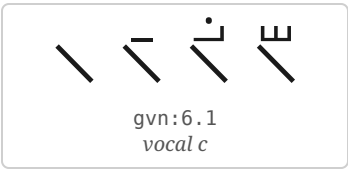

gvn:5.1
vocal B

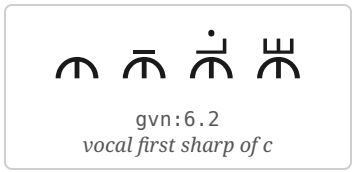

gvn:5.2
vocal first sharp of B

gvn:5.3
vocal second sharp of B
